Dana Rohrabacher's St. Patricks Day Celebration

Recognizing the loss of our friend, patriot and citizen journalist Andrew Breitbart, we invite you to join us in closing out the St. Patrick's season at our annual Irish pub event, this year totally dedicated to carrying on the freedom revolution Andrew Breitbart championed. We are expecting patriots, freedom fighters & revelers from OC and beyond who knew Andrew as a visionary and a warrior for the conservative movement. As many of you remember, this time last year Andrew Breitbart was the guest of honor and wowed us at our annual St. Patrick's Celebration.

Date: Sunday, March 25, 2012

Time: 3:00p.m. - 6:00p.m.

Place: Skosh Monahan's Pub, 2000 Newport Blvd., Costa Mesa, CA

This year we'll have our traditional Irish music, beer, food and humor, but more than that we will have a living memorial to our favorite freedom fighter, watching from St. Patrick's favorite heavenly pub. Yes, Andrew, we will carry on the fight, with all the gusto, courage and humor he demonstrated to us so many times.

Price: \$100 per person
